Packed with realistic advice on how to practice Krishna consciousness in a complex world. With many valuable philosophical insights and perspectives of guru-disciple interactions in the age of the internet From the Preface: "Patropadesa (patra—letter; upadesa—instruction, advice) consists of selected correspondence with disciples and other devotees. Circa 1997, I considered that some of the content of my letters to individuals might be useful for others also, and thus I started to collect relevant texts with the intention of later publishing them as an anthology. Now, some fifteen years later, this volume is the result. This compilation is intended primarily for my direct disciples and others who are familiar and comfortable with my stringent approach to Krishna consciousness. Many of the letters featured herein deal with grave and sensitive topics and therefore offer insights into the practical application of the teachings of Krishna consciousness in today's highly disturbed world. However, I have chosen not to include most of the polemic missives that I have written over the years regarding various contentious issues within ISKCON, as I feel that such matters require comprehensive analyses rather than

decontextualized and incomplete perspectives. Nonetheless, this book is evidence that gurus in ISKCON must contend with many weighty topics and do not, as some persons seem to believe, merely bask in adulation."- Bhakti Vikasa Swami

Mispronunciation is nothing to feel ashamed of. Learning a foreign grammar is difficult, and learning to pronounce a foreign language is even more difficult. This is because our tongues are conditioned by our native language.

**Examination Stress and its Management** This book addresses examination-related stress and its management. Its management depends on type and personality traits. The etiology of stress clues us in on its management. Stress is prevalent among those pursuing primary to higher education. The achievement-oriented modern education system causes stress. Examination stress is influenced and furthered by high levels of expectation from parents, relatives, peer group, teachers and self. Stress is a never-ending phenomenon, and how it's handled it is of paramount importance. There are abundant ways of remaining stress-free. Good time management reduces stress levels. This book discusses different topics like: Holistic approach to managing stress Models of stress genesis and memory Stress resolution Stress in childhood Examination preparation/revision Destressing yourself Diet and exercise Sleep tips for students Psychological issues

Sri Chaitanya-charitamrta is the main work on the life and teachings of Sri Chaitanya Mahaprabhu, the incarnation of Krishna who appeared in India five hundred years ago. Lord Chaitanya introduced the chanting of the holy names of God as the prescribed method of God-realization for our time. He began what is today called the Hare Krishna movement, since the movement's founder, Srila Prabhupada, comes in the Chaitanya line of spiritual masters. Lord Chaitanya transformed the face of India in four respects: philosophically, by encountering, defeating and converting the greatest philosophers and thinkers of His day; religiously, by organizing the largest, most widespread theistic movement in India's history; socially, by His strong challenges to the religious inequities of the caste system; politically, by His organization of a massive civil disobedience movement in Bengal, more than four centuries before Gandhi. This English translation with commentary, by His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, reveals his consummate Bengali and Sanskrit scholarship, his intimate familiarity with the precepts of Sri Chaitanya, and his pure devotion to God.

The hero's quest for the extraordinary – an ever-recurring theme in literature – reflects the urge of every heart at its noblest to discover the full possibilities of life. Anyone dissatisfied with the scant potential of mundane existence is naturally stimulated by the prospect of finding, even vicariously, a world of greater liberty. There should be some better place for the soul. Why should happiness be so elusive, and why should confusion and resentment always shroud the mind's eye, making it unable to see clearly what is in front of it? Srila Sanatana Gosvami's Brhad-bhagavatamrta, written in Sanskrit nearly five hundred years ago, is a gemlike example of the quest genre, but different from the sort commonly encountered in fable and fiction. Narada and Gopa-kumara, the respective heroes of this book's two parts, are searching for a key to fulfillment much subtler than wealth, influence, mundane love, the Fountain of Youth, or even the Holy Grail. Narada has vast experience of the cosmos; Gopa-kumara is

illiterate and naive; yet they share the same vision of what is most valuable. What both want is not to conquer or exploit on any level, but to explore the mystery of selfless service. As Narada already knows, and Gopa-kumara will gradually learn, the superior mode of life they seek is personal and defined by the interplay of those who take part in it, rather than by material laws of nature. In Volume One of Sri Brhad-Bhagavatamrta, the great sage Narada, a pure devotee of Krishna, travels from earth to heaven and the spiritual world in search of the greatest recipient of Krishna's mercy. As he proceeds on his journey, Narada meets many pure devotees of Krishna and gives evidence to show how that devotee has been favored by Krishna. Each devotee, embarrassed to hear himself praised, recommends that Narada visit another devotee. Narada sees greater and greater manifestations of Krishna's mercy, until he finds those pure souls who embody the complete manifestation of Krishna's mercy – the exalted gopis of Vraja. Join Narada on his quest and discover his awe, love, and deepest appreciation as he grasps the gopis' position as Krishna's best devotees.
