R right now, I'm thinking the '61 Ford Thunderbird may just be the most beautiful car in the world. Me and p hoto-journo Jay Groat are loitering on a chilly Sunday morning, in a warehouse district that could be used for any Hollywood bad-guy movie you could think of. And along the deserted street, the odd Checkers packet caught by a gust of wind, rumbles past this magnificent T-Bird, its ...

AutoRef's mission is to bridge the gap between car dealerships and customers. We believe the entire process of shopping for a car should be easy, fast and enjoyable. We built this service because we think there is a better way. AutoRef allows consumers to negotiate online for new and used vehicles.

AutoRef.com - Cranchbase Company Profile & Funding

The auto refractometer definition is easy to remember: it is one of the modern methods for determining the refraction of an eye. The procedure of auto refractometry is extremely simple and does not require much time. The patient sits in front of the device in the desired position. Each eye is examined individually.
