Emily's birthday has finally arrived, and she's so excited! She's having a party with all her friends, complete with a special magic castle cake and a sparkly welcome walkway to greet her friends. She's even having a famous children's TV show magician to entertain her friends! At least that's what was planned. But a morning rainstorm soon washes away the hopes of the best birthday party ever, leaving Emily to fear it is going to be the worst! Emily's mom helps her through the disappointment by sharing all the fun things she did at her birthday parties when she was a little girl. Through resourcefulness, a few found objects, and a little creative thinking from their "Imagination-Inspiration" hats, Emily's mom helps Emily see that even though things don't work out the way you planned, you can have a lot of fun and excitement by trying new things and experiences. Skeptical at first, Emily is drawn into the excitement and fun of some old-fashioned children's games and a homemade birthday cake. Her dad, her little brother, and even their dog, Barky, get swept into the growing excitement, and her friends agree that her party was the best birthday party ever! Emily's Best Birthday Party Ever! is a delightful story about children and parents who love and support each other through life's up and downs. It deals with the fact that things don't always work out as planned, but with a little resourcefulness, creative thinking, and trust, there is

a solution to any problem. It's a story about parents letting children go through the painful process of disappointment and helping them work through it to find creative solutions. It shows how sharing family traditions, like the mom's birthday party games, are important to preserving culture and the simple pleasures of years gone by. It's a story of how a family supports each other by working together. The book includes instructions for all of Emily's party games, the Imagination-Inspiration hats, and her special three-layer birthday cake so you can have a party just like hers and share in the fun. The games are fun for kids of all ages. Even grown-ups can have fun playing the games they enjoyed as children. As for Auntie Anna, you'll have to supply your own fun-loving relative or family friend who can add a special type of excitement to any party.

OVER 30 ALL-NEW, SURE-TO-PLEASE PARTIES FOR KIDS OF ANY AGE! Whether your two-year-old's passion is teddy bears, your eight-year-old can name every dinosaur in the museum, or your sweet-sixteen-yearold wants a sophisticated casino evening -- you can create the perfect party with The Penny Whistle Birthday Party Book. Complete with suggestions for entertaining games and activities, instructions for making personalized invitations, decorations and party favors, and delicious recipes for refreshments (including the best birthday cakes ever!), this book shows you how to give: * A Pig-Out Party (everyone gets to be a pig for the day) * A Cloud-Nine Party (a heavenly time will be had by all) * A Secret Agent Party (super sleuths get to find the birthday cake) * A Stegosaurus and Friends Party (dress is prehistoric --

Do children really need over-the-top birthday parties with pony rides, bounce houses, corporate movie characters, food trucks, and themed decorations? Or destination parties that require renting nail salons, skating rinks, restaurants, and video arcades? Over-the-top parties can lead to more stress, despite parents' urge to outsource party planning. In *Best Buddies Birthdays*, mother-daughter authors Sally Butzin and Charlotte Beal offer a detailed and specific guide on how to plan and host a fabulous party--without all the craziness--that will bring joy and satisfaction to the five- to ten-year-old child. It covers planning, sending invitations, buying prizes, offering refreshments, and writing thank-you notes. But its centerpiece is 50 clearly explained, child-tested party games and activities to choose from. This guide emphasizes the important life lessons children learn through *Best Buddies Birthdays*, including empathy, hospitality, graciousness, appreciation, sportsmanship, and kindness. Field-tested with real kids, *Best Buddies Birthdays* can bring back the joy and innocence of childhood, while instilling positive values and saving money. It takes a step away from the norm of over-the-top parties and embraces a more down-to-earth approach to giving children a special day.

almost 2 decades. With more than 80 million copies sold around the world, Fear Street is one of the bestselling young adult series of all time. Now, with Party Games, R.L. Stine revives this phenomenon for a new generation of teen readers, and the announcement of new Fear Street books caused a flurry of excitement both in the press and on social media, where fans rejoiced that the series was coming back. Her friends warn her not to go to Brendan Fear's birthday party at his family's estate on mysterious Fear Island. But Rachel Martin has a crush on Brendan and is excited to be invited. Brendan has a lot of party games planned. But one game no one planned intrudes on his party—the game of murder. As the guests start dying one by one, Rachel realizes to her horror that she and the other teenagers are trapped on the tiny island with someone who may want to kill them all. How to escape this deadly game? Rachel doesn't know whom she can trust. She should have realized that nothing is as it seems... on Fear Island. R.L. Stine makes his triumphant return to Shadyside, a town of nightmares, shadows, and genuine terror, and to the bestselling series that began his career writing horror for the juvenile market, in the new Fear Street book Party Games.
