Since most commercial space will require a broker in order to lease or purchase, a prudent next step is to contact a commercial real estate broker who is local to the area where you are looking and understands the area well. Selecting the Right Location for Your Business

Business Leasing for Dummies - The Balance Small Business

By Maire Loughran. Leasing brings six major advantages, and all directly involve the company's cash flow. Essentially, the advantage to leasing over buying is that there's usually no large outlay of cash at the beginning of the lease as there is with an outright purchase. 100 percent financing: Many business leases come with 100 percent financing terms, which means no money changes hands at the inception of the lease.
