Finders Keepers Finders Keepers Belinda Bauer

What is there to say, another brilliant book by Belinda Bauer, the perfect balance of tension, caring but tight description and a plot that keeps you turning the pages until the wee small hours. Having read the others in this series, it was great to go back to the dark moors and the village of Shipcott.

Finders Keepers: The sensational, edge-of-your-seat ...

Finders Keepers is the third book in a trilogy set in a rural area in England close to Exmoor National Park. Really enjoyed the first two books, but when I hit the 2/3 mark of Finders Keepers the story went in a direction that does not work for me. The two star is a personal enjoyment ranking, not a reflection of Belinda Bauer's writing. I'll continue to seek out books by her.

Finders Keepers (Exmoor Trilogy, #3) by Belinda Bauer

Buy Finders Keepers by Belinda Bauer (ISBN: 9780802126436) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

Finders Keepers (Audio Download): Amazon.co.uk: Belinda ...

Belinda Bauer's third book represents a remarkable achievement: almost a return to the good old Victorian triple-decker novel of suspense, but created with a deftness that allows each book to stand alone.

Finders Keepers by Belinda Bauer (Paperback, 2012) for ...

The people of Shipcott have been through a lot in the first three of Belinda Bauer's books and I presume this particular series will not be continued further. "Finders Keepers" seems to offer some closure for the reader with regard to the bleak village and inhabitants of Shipcott and a satisfying conclusion.

Amazon.com: Finders Keepers (9780802126436): Bauer ...

Bauer, Belinda - 'Finders Keepers' Hardback: 400 pages (Jan. 2012) Publisher: Bantam Press ISBN: 0593066901. In the small villages of Exmoor (south-west England), children are going missing. The first disappearance is that of Jess Took, daughter of the Master of the Hunt. Soon, others follow. DI Reynolds and DS Rice are dispatched to investigate, setting up a temporary base at a local hotel ...

Finders Keepers I found the book to be spoilt by the depiction of the police investigating the case being akin to the kind of "Plod" resembling Dixon of Dock Green. Children are going missing, right under their noses, in a small village type setting, and the police appear oddly detached and sit about waiting for the next child to be taken basically, again right under their noses. This gave the ...
