Focus on Health offers an
exciting and practical
approach to the teaching of
the traditional content
areas of personal health.
Its two key themes - the six
dimensions of health and the
five developmental tasks -
help students apply the

File Type PDF Focus Health 10th Edition Ebook

text's content to their own lives, by improving their decision-making skills. The strength of the Focus on Health narrative includes its appeal to both traditional and non-traditional students, particularly the special attention it pays to students over age 25 who have returned to college. In addition, among its many health assessment activities, Focus on Health includes one of the most comprehensive health assessments found in any personal health textbook - a great tool for establishing a health baseline for students. The companion

Online Learning Center (website) offers a wealth of pedagogical and assessment features, including quizzes, Internet activities, downloadable MP3s, and more.

Health Promotion Throughout the Life Span - E-Book

This Revised Reprint of our 8th edition, the "gold standard" in community health nursing, *Public Health Nursing: Population-Centered Health Care in the Community*, has been updated with a new Quality and Safety Education in Nursing (QSEN) appendix that features examples of incorporating knowledge,

File Type PDF Focus Health 10th Edition Ebook

skills, and attitudes to improve quality and safety in community/public health nursing practice. As with the previous version, this text provides comprehensive and up-to-date content to keep you at the forefront of the ever-changing community health climate and prepare you for an effective nursing career. In addition to concepts and interventions for individuals, families, and communities, this text also incorporates real-life applications of the public nurse's role, Healthy People 2020 initiatives, new chapters on forensics and genomics, plus timely coverage of disaster

File Type PDF Focus Health 10th Edition Ebook

management and important client populations such as pregnant teens, the homeless, immigrants, and more. Evidence-Based Practice boxes illustrate how the latest research findings apply to public/community health nursing. Separate chapters on disease outbreak investigation and disaster management describe the nurse's role in surveilling public health and managing these types of threats to public health. Separate unit on the public/community health nurse's role describes the different functions of the public/community health

File Type PDF Focus Health 10th Edition Ebook

nurse within the community. Levels of Prevention boxes show how community/public health nurses deliver health care interventions at the primary, secondary, and tertiary levels of prevention. What Do You Think?, Did You Know?, and How To? boxes use practical examples and critical thinking exercises to illustrate chapter content. The Cutting Edge highlights significant issues and new approaches to community-oriented nursing practice. Practice Application provides case studies with critical thinking questions. Separate

File Type PDF Focus Health 10th Edition Ebook

chapters on community health initiatives thoroughly describe different approaches to promoting health among populations. Appendixes offer additional resources and key information, such as screening and assessment tools and clinical practice guidelines. NEW! Quality and Safety Education in Nursing (QSEN) appendix features examples of incorporating knowledge, skills, and attitudes to improve quality and safety in community/public health nursing practice. NEW! Linking Content to Practice boxes provide real-life applications for chapter

File Type PDF Focus Health 10th Edition Ebook

content. NEW! Healthy People 2020 feature boxes highlight the goals and objectives for promoting health and wellness over the next decade. NEW! Forensic Nursing in the Community chapter focuses on the unique role of forensic nurses in public health and safety, interpersonal violence, mass violence, and disasters. NEW! Genomics in Public Health Nursing chapter includes a history of genetics and genomics and their impact on public/community health nursing care.

Complex pharmacologic information is simple to

File Type PDF Focus Health 10th Edition Ebook

learn with this complete study resource! Designed to accompany Pharmacology for Nursing Care, critical thinking study questions, case studies, and patient teaching scenarios connect pharmacology concepts with their impact on patient care. Plus, an emphasis on priority nursing care with NCLEX examination-style review questions prepares you for success on the exam. An emphasis on the key information that nursing students need to know NCLEX Examination-style questions for each chapter in a variety of study/review formats Case Study scenarios provide true-to-life

File Type PDF Focus Health 10th Edition Ebook

practice in responding to clinical situations that are typical of contemporary medication therapy

Implications of drugs and drug classes for patient care Highlighted application-level questions help you integrate other nursing knowledge such as developmental considerations, laboratory values, and symptoms of adverse effects Critical thinking, prioritization, and delegation questions

More questions dedicated to prioritization and delegation Increased variety of question types includes matching, true-false, completion, and other

anniversary edition of an enduring classic provides a crystal clear picture of why focus is even more vital today in determining future success.

Correctional Counseling and Rehabilitation, 9th ed., presents foundations of correctional intervention, including overviews of the major systems of therapeutic intervention, diagnosis of mental illness, and correctional assessment and classification. Now fully updated to reflect DSM-5, its detailed descriptions and cross-approach comparisons help students prepare for a career in

File Type PDF Focus Health 10th Edition Ebook

correctional counseling and allow working professionals to better determine which techniques might be most useful in their particular setting. The content is divided into five parts: (1) A Professional Framework for Correctional Counseling; (2) Understanding the Special Challenges Faced by the Correctional Counselor in the Prison Setting; (3) Offender Assessment, Diagnosis, and Classification; (4) Contemporary Approaches to Correctional Counseling and Treatment, (5) Interventions for Special Populations, and (6) Putting It All Together. The book is appropriate for

File Type PDF Focus Health 10th Edition Ebook

upper-level undergraduates and graduate students in Criminal Justice and Criminology, Psychology, and Social Work programs as well as correctional counseling practitioners.

Ensure you have a solid understanding of community and public health nursing with this industry standard text! *Public Health Nursing: Population-Centered Health Care in the Community, 10th Edition* provides up-to-date information on issues such as infectious diseases, natural and man-made disasters, and healthcare policies affecting individuals, families, and

File Type PDF Focus Health 10th Edition Ebook

communities. This new edition has been thoroughly updated to reflect current data, issues, trends and practices presented in an easy-to-understand, accessible format. Additionally, real-life scenarios show examples of health promotion and public health interventions. Ideal for BSN and Advanced Practice Nursing programs, this comprehensive, bestselling text will provide you with a greater understanding of public health nursing! Focus on Quality and Safety Education for Nurses boxes give examples of how quality and safety goals, knowledge,

File Type PDF Focus Health 10th Edition Ebook

competencies and skills, and attitudes can be applied to nursing practice in the community. Healthy People boxes highlight goals and objectives for promoting the nation's health and wellness over the next decade.

Linking Content to Practice boxes provide examples of the nurse's role in caring for individuals, families, and populations in community health settings. Evidence-Based Practice boxes illustrate the use and application of the latest research findings in public/community health nursing. UNIQUE! Separate chapters on healthy cities, the Intervention Wheel, and

File Type PDF Focus Health 10th Edition Ebook

nursing centers describe different approaches to community health initiatives. Levels of Prevention boxes identify specific nursing interventions at the primary, secondary, and tertiary levels. End-of-chapter Practice Application scenarios, Key Points, and Clinical Decision-Making activities promote application and in-depth understanding of chapter content. UPDATED Content and figures reflect current data, issues, trends, and practices. How To boxes provide you with practical application practice. NEW! Check Your Practice boxes

File Type PDF Focus Health 10th Edition Ebook

added throughout feature scenarios and discussion questions to promote active learning.

Community & Public Health Nursing is designed to provide students a basic grounding in public health nursing principles while emphasizing aggregate-level nursing. While weaving in meaningful examples from practice throughout the text, the authors coach students on how to navigate between conceptualizing about a population-focus while also continuing to advocate and care for individuals, families, and aggregates. This student-

File Type PDF Focus Health 10th Edition Ebook

friendly, highly illustrated text engages students, and by doing so, eases students into readily applying public health principles along with evidence-based practice, nursing science, and skills that promote health, prevent disease, as well as protect at-risk populations! What the 8th edition of this text does best is assist students in broadening the base of their knowledge and skills that they can employ in both the community and acute care settings, while the newly enhanced ancillary resources offers interactive tools that allow students of all learning styles to master public health nursing.
