Undying Mercenaries Series by B.V.

Larson

Dust World Originally coming out in 2014, this was first published on the 28th of March for the Kindle once again, thus marking the second title in the now much anticipated "Undying Mercenaries" series. Continuing on from where the last left off, it manages to progress much of the action too, allowing it to develop and evolve in the process.

When the Earth is invaded by a rival empire, James McGill's legion must defend the Home World. The top brass has complex plans, but none of that matters much to McGill, who chooses his own unique path. Traveling to star systems no human has ever visited, he searches for a technological edge to beat the enemy before it's too late.
