The Court of Criminal Appeal sat for nearly 60 years, until its existence as a separate body was ended by the Criminal Appeal Act 1966. Its jurisdiction passed to the Court of Appeal. The Crown Court is created. Crown Courts as we know them today were not actually established until 1956, and then only in Liverpool and Manchester.

The Court and the constitutional system of checks and balances that depends on it. A growing chorus of officials and commentators argues that the Supreme Court has become too political. On this view the confirmation process is just an exercise in partisan agenda-setting, and the jurists are no more than politicians in robes—their ostensibly neutral judicial philosophies mere camouflage for conservative or liberal convictions. Stephen Breyer, drawing upon his experience as a Supreme Court justice, sounds a cautionary note. Mindful of the Court's history, he suggests that

The judiciary's hard-won authority could be marred by reforms premised on the assumption of ideological bias. Having, as Hamilton observed, "no influence over either the sword or the purse," the Court earned its authority by making decisions that have, over time, increased the public's trust. If public trust is now in decline, one part of the solution is to promote better understandings of how the judiciary actually works: how judges adhere to their oaths and how they try to avoid considerations of politics and popularity. Breyer warns that political intervention could itself
