Engineering Mathematics through Applications by Dr. Kuldeep Singh is the book I am following in order to carve my Engineering career, and being honest anything that has strong base leads stronger and then strongest structure. I reckon the same principle of imparting Mathematical concept is followed in K.Singh's book, and whenever I go through the book my brain frames this phrase, "Though at times Mathematics proves Intimidating for me but book by K. Singh has replaced it by being a sheer ...
