About The Penguin Book of First World War Poetry. Unrivaled in its range and intensity, the poetry of World War I continues to have a powerful effect on readers. This newly edited anthology reflects the diverse experiences of those who lived through the war, bringing together the words of poets, soldiers, and civilians affected by the conflict.

The Penguin Book of First World War Poetry by Various ...

Allen Lane launched Penguin Books in 1935 with ten titles. Some of the authors who were part of Penguin's introduction were well-known at the time, and continue to be today (Agatha Christie, Ernest Hemingway). But some of the other authors and books have faded into publishing history, and are no longer available.

The Original 10 - Penguin Books USA

Penguin Books is a British publishing house. It was co-founded in 1935 by Sir Allen Lane with his brothers Richard and John, as a line of the publishers The Bodley Head, only becoming a separate company the following year. Penguin revolutionised publishing in the 1930s through its inexpensive paperbacks, sold through Woolworths and other high street stores for sixpence, bringing high-quality paperback fiction and non-fiction to the mass market. Penguin's success demonstrated that large audiences

Penguin Books - Wikipedia

The Penguin is a fictional supervillain appearing in American comic books published by DC Comics, commonly as an adversary of the superhero Batman. The character made his first appearance in Detective Comics #58 and was created by Bob Kane and Bill Finger. The Penguin is one of Batman's most enduring enemies and belongs to the collective of adversaries that make up Batman's rogues gallery. The Penguin is a Gotham City mobster who fancies himself the "Gentleman of Crime". He is most often seen we

An anthology of Great War short stories by British writers, both famous and lesser-known authors, men and women, during the war and after its end. These stories are able to illustrate the impact of the Great War on British society and culture and the many modes in which short fiction contributed to the war's literature. The selection covers different periods: the war years themselves, the famous boom years of the late 1920s to the more recent past in which the First World War has received new cultural interest.

Presents a collection of poetry from the First World War by such authors as Thomas Hardy, Edward Thomas, Siegfried Sassoon, Rudyard Kipling, Wilfred Owen, and Isaac Rosenberg.

This anthology reflects the diversity of voices it contains: the poems are arranged thematically and the themes reflect the different experiences of war not just for the soldiers but for those left behind. This is what makes this volume more accessible and satisfying than others. In addition to the established canon there are poems rarely anthologised and a selection of soldiers' songs to reflect the voices of the soldiers themselves.

A remarkable anthology of short fiction written during and after World War I captures the impact of the Great War on British culture and society in works by Arthur Conan Doyle, John Buchan, Rudyard Kipling, Katherine Mansfield, Robert Graves, Muriel Spark, Joseph Conrad, W. Somerset Maugham, D. H. Lawrence, and others. Original.

"From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares." --The New York Times Book Review Three thousand years of visions of Hell, from the ancient Near East to modern America From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, The Penguin Book of Hell takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's Inferno, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death.

This ambitious and revelatory collection turns the traditional chronology of anthologies on its head, listing poems according to their first individual appearance in the language rather than by poet.

The first Penguin anthology of Japanese haiku, in vivid new translations by Adam L. Kern. Now a global poetry, the haiku was originally a Japanese verse form that flourished from the sixteenth to nineteenth centuries. Although renowned for its brevity, usually running three lines long in seventeen syllables, and by its use of natural imagery to make Zen-like observations about reality, in fact the haiku is much more: it can be erotic, funny, crude and mischievous. Presenting over a thousand exemplars in vivid and engaging translations, this anthology offers an illuminating introduction to this widely celebrated, if misunderstood, art form. Adam L. Kern's new translations are accompanied here by the original Japanese and short commentaries on the poems, as well as an introduction and illustrations from the period.

The dead rise again in a spine-tingling collection of ghostly visitations through the ages, recorded in historical narratives, theological texts and personal letters from more than 1,500 years, showing the evolution of our thinking about zombies and other restless souls. --Publisher's description.
