In classical antiquity, Illyria was a region in the western part of the Balkan Peninsula inhabited by numerous tribes of people collectively known as the Illyrians. Besides them, this region was also settled, in various times, by some tribes of Celts, Goths and Thracians. Illyrians spoke Illyrian languages, a group of Indo-European languages, which in ancient times perhaps had speakers in some parts in Southern Italy. The geographical term Illyris was used to define approximately the area of nor

Sneak Peek at BloodLust: Rise of the Iliri. Chapter 1. Weaving through the large, dark-skinned bodies of the soldiers around her, Sal touched the paper in her pocket like a talisman. It gave her the chance to apply to the Black Blades. They were the best of the best, but the last people she thought would take her seriously.

~~Sneak Peek at BloodLust: Rise of the Iliri—Auryn Hadley~~

Like in all of the Rise of the Ilirinovels, this epic fantasy story focuses on loving relationships, platonic and romantic, with a steamy reverse harem theme. Sal's erotic love scenes with are explicit and almost unbearably titillating, although not for all readers—especially humans under eighteen. Read moreRead less.
